### QUESTIONS & RESPONSES

**Q:** Under Purpose 2.2, it says that the Mississippi State Hospital is looking for forensic psychiatrists to perform services “on-site or remotely”. Attachment A, Scope, says “on-site and remotely.” Is there an on-site requirement for this RFQ ?

**A:** This is a hybrid position. There will be times the position allows for remote work and other times being on-site will be necessary.

**Q:** We have a bank of psychiatrists and we typically allow the organization we contract with to be involved in the selection to make sure we have the best fit. 4.2 requires two references. Does that mean we have to submit the resume of a specific psychiatrist when responding to the RFQ ?

**A:** Yes, the resume of a specific psychiatrist will be required.
